ESCAPE FROM ZYZZIVARIA

Collector's Showcase Rules

1. All items must be real and in their original form.
2. You may not create, alter or print an item, unless otherwise specified.
3. All items must be labeled and tagged with the number for its row. For example, tag the owner's manual 22.
4. Decisions of the judges, regardless of how arbitrary they might seem, are final.
5. You will be grouped with other teams who gave the same answer you did to item #0. Note that it is in your best interest to have as few teams in your group as possible, so try to choose the answer that the fewest teams will choose.
6. For item #24, if either team is duplicated, your item does not count. For example, if one team shows up with a Boston Red Sox vs. New York Yankees ticket and another Boston Red Sox vs. Detroit Tigers ticket, neither team will receive points.
7. Each item accepted and not duplicated by another team earns 10,000,000,000 points. Any team that earns 100,000,000,000 points wins.
8. You may not alter answers once you arrive at the event.
