The Effect of the Balance Rule

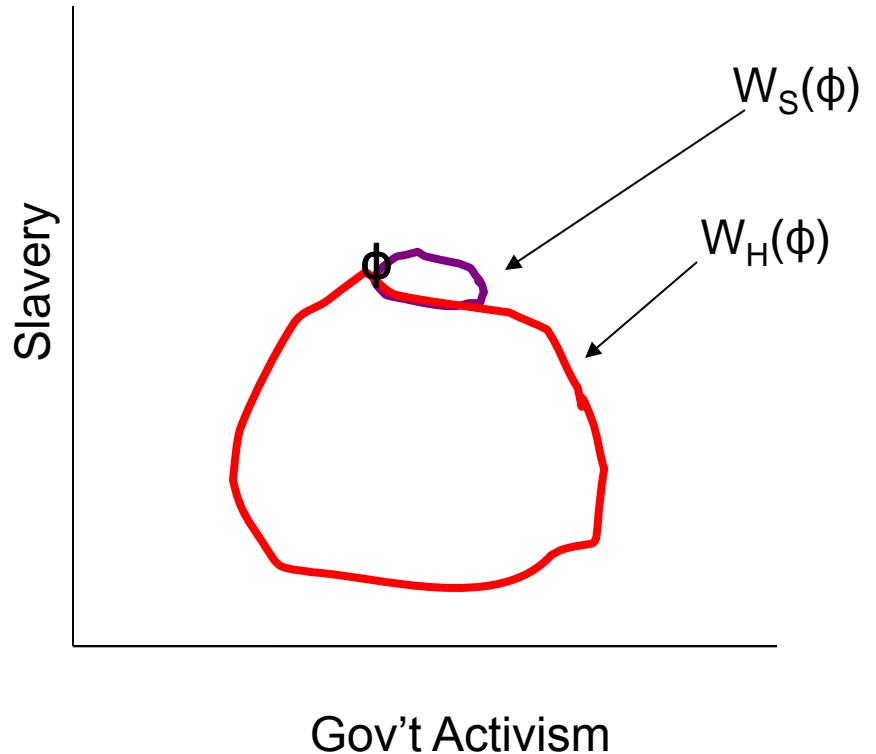

Stylized House

Stylized Senate

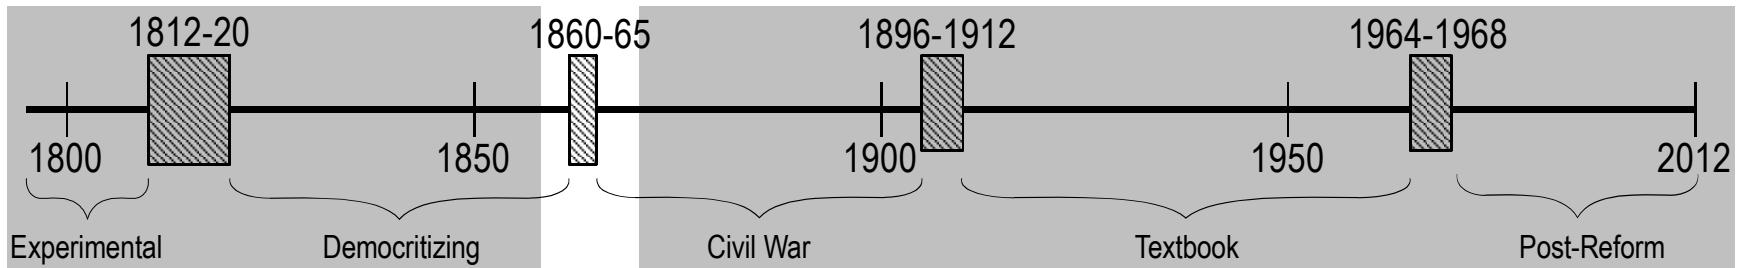

The Effect of the Balance Rule

1860-1865

(Transition from Antebellum to Civil War System)

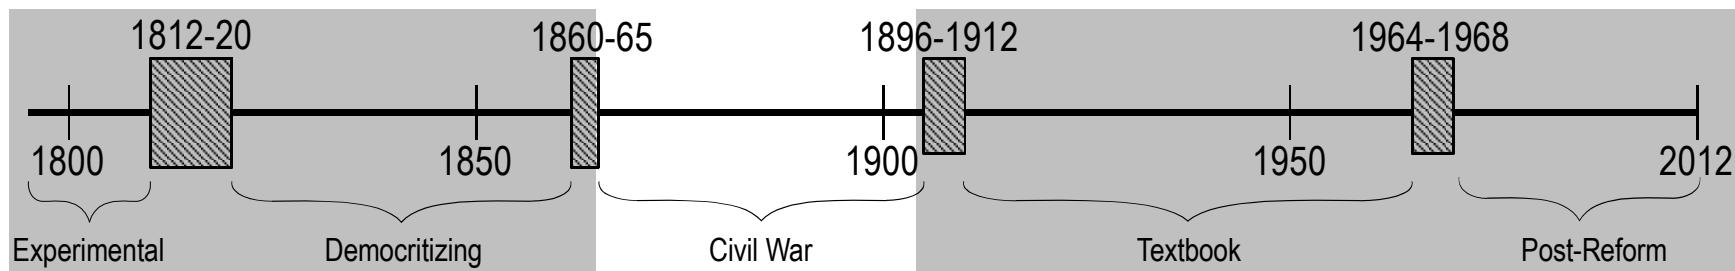

- South excluded from national elections
- Party support highly regionalized

1896-1912

(Transition from Civil War to Textbook systems)

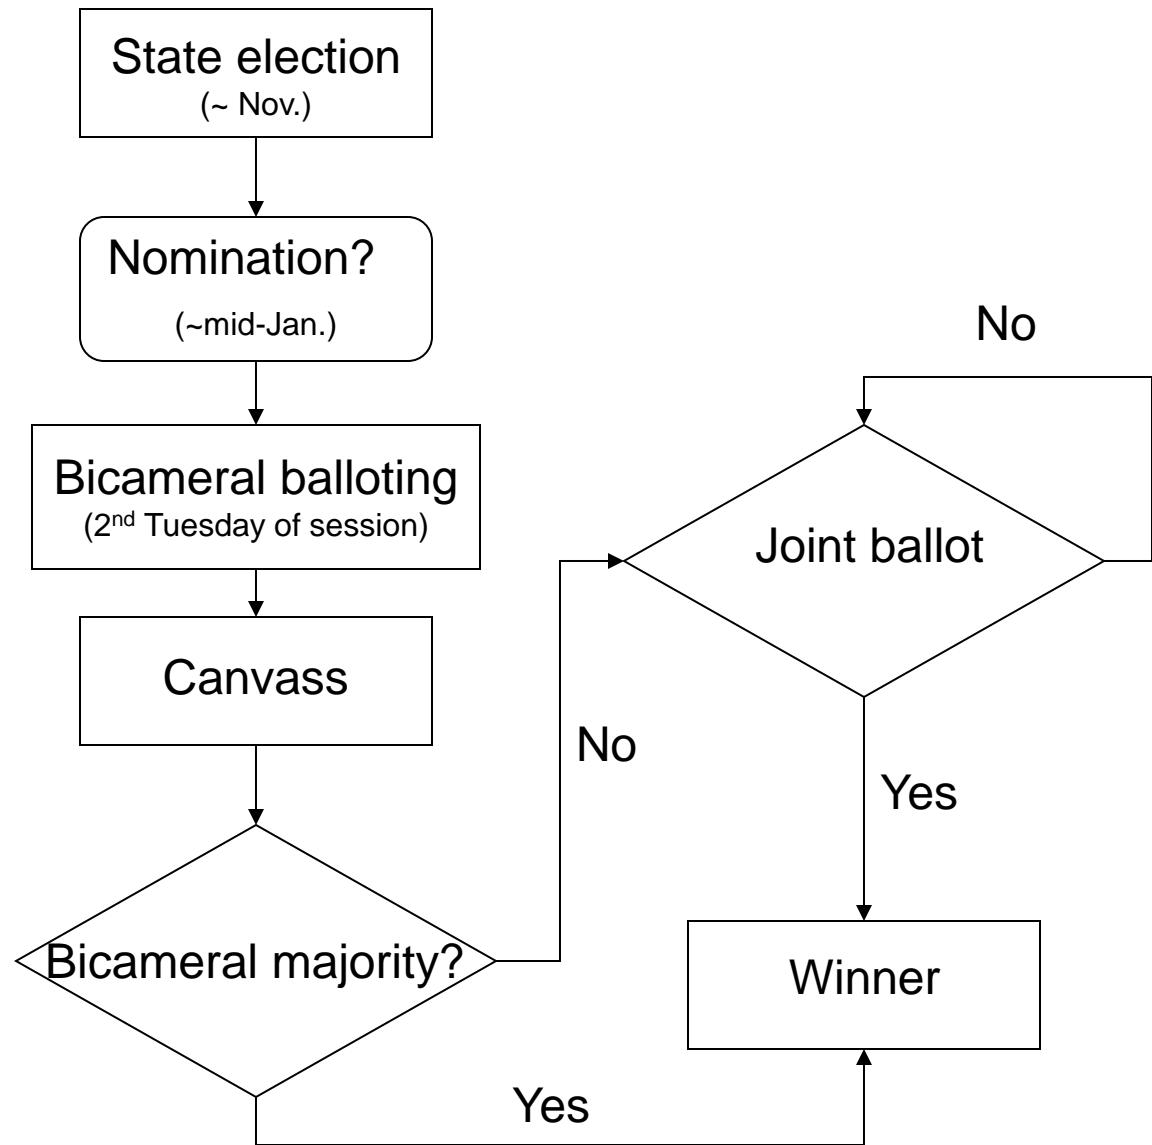

- Economic dislocations create Progressive/Populist movements

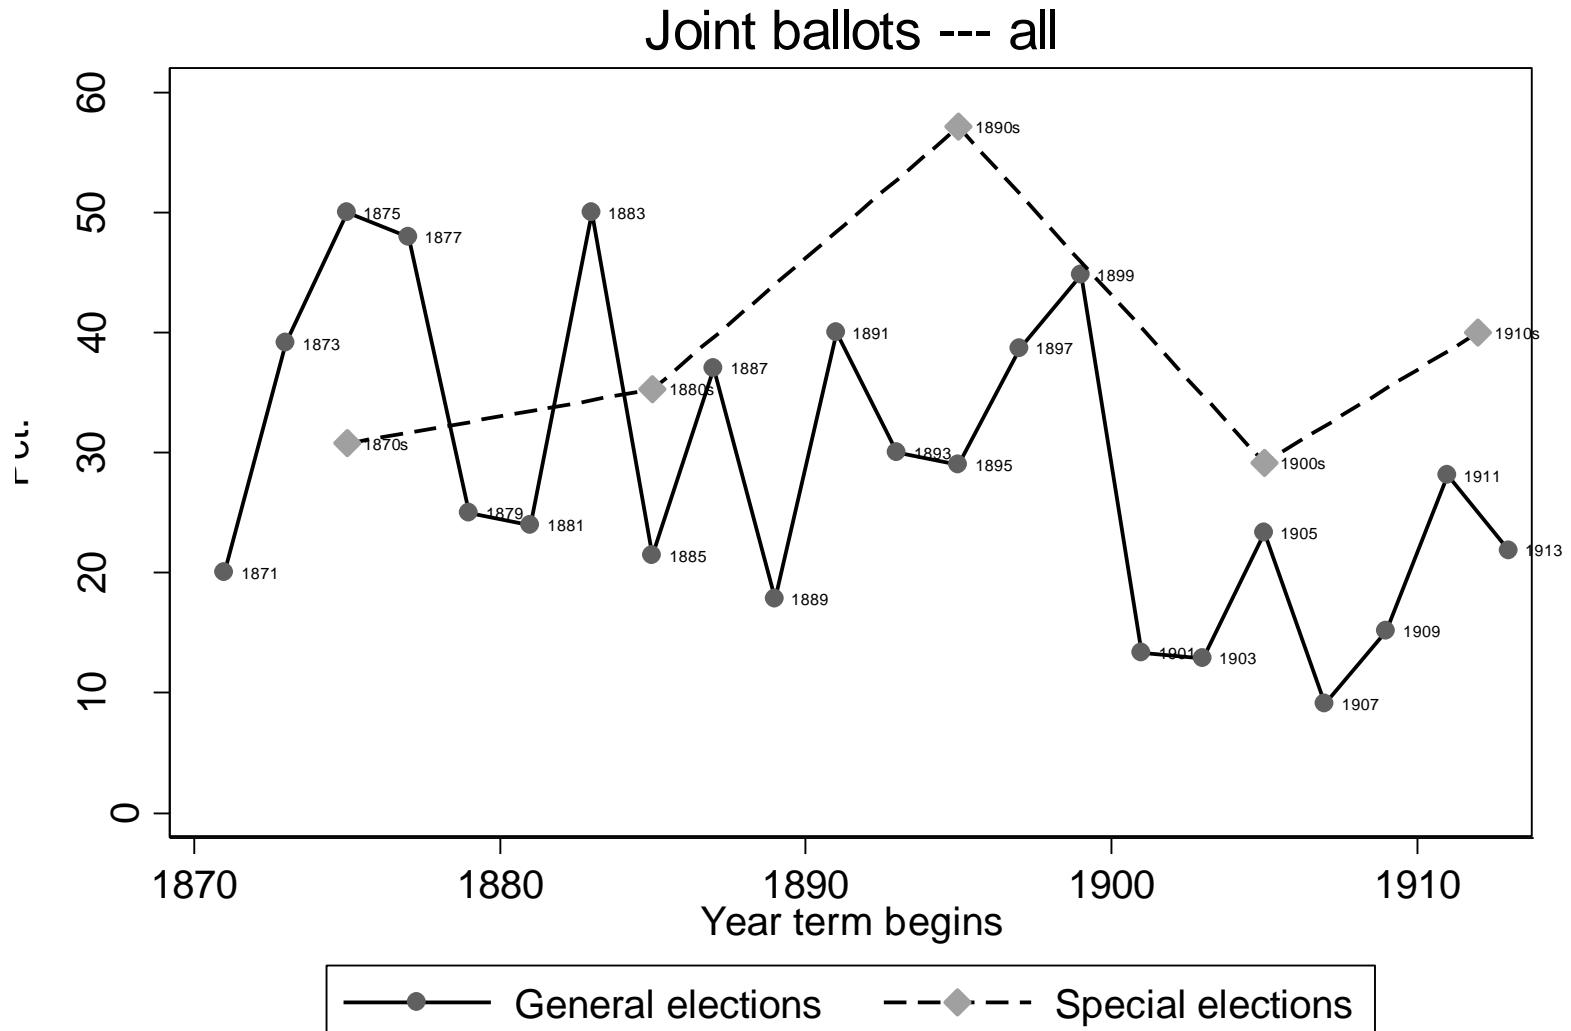

A Word about Senate Elections

- State legislative elections often brought about chaotic balloting
- Stories of corruption in Senate elections led to Progressive calls for reform
- Rise of third parties gave major parties an incentive to create a duopoly of power
- 17th amendment: popular election of senators (1914)
- Still parties become more prominent
