

**8.02x Electricity and Magnetism**

**Check-Off and Grading Policy:**

- 1) All groups need to check-off that they have completed each experiment.
- 2) The check-offs are done only during lab hours (no check-offs in recitation sections). The 8.02x lab is in room 4-355. The Lab hours are

M 3-5 pm, T 7:30-9:30 pm, W 7:30-9:30 pm, R 3-5 pm, F 12-3 pm

- 3) The check-offs will be graded on a scale from a highest score of 10 to a lowest score of 0 according to the following criteria:
  - Completion of all assigned tasks
  - Quality of the experimental apparatus
  - Understanding of the apparatus
  - Understanding of the physics associated with the experiment

Check-offs completed on the first Monday after the lab is handed out will be worth two extra points. Check-offs completed on Tuesday will be worth one extra point.

- 4) Students can only check-off their own work. Using previous years apparatus, or data, or checking off someone else's work violates academic codes on cheating.
