

# HAPPY 40<sup>TH</sup> ANNIVERSARY

## MOM AND DAD!

It has been many months of arduous thinking and negotiating—  
trying to find the perfect gift.

We do not know if we succeeded. It is difficult trying to  
encapsulate 40 years of marriage in tangible objects.

The gift you just opened is a start. This fall, the Canavan and  
Mann families will gather to celebrate you, and to capture a more  
formal portrait of your family.

We have arranged for a professional photographer to shoot any and  
all desired photos. The only definitive goal is to purchase a large  
print of everyone for you to display within your home.

The perfect gift—US!

We join you in celebrating this most special occasion. Forty years  
of marriage is an inspiration to all of us and we cannot express our  
amazement, wonder and appreciation for everything you have  
taught to us. Although we are not all physically here today, we  
will be in short time, and we are all thinking of you this weekend!

Happy 40<sup>th</sup> Anniversary, Mom-G-Grami and Dad-Grampi-Poppi!

*Love,*

Scott, Nicole, Katie, and Clara
