5. We're planning for the reunion's main event, and considering options similar to and different from previous reunions. You'll get another survey from us later about other events throughout the weekend (most of which will be free). We need your input on the budget. For example: preliminary info for this year is that if we have 140 paying adults and 30 in-housers at the Museum of Science it would cost around \$85 per person in April and somewhat more in May. Enter "0" below if you want to attend but would like assistance paying for it.
