Nº 2a. Majestic Music

DIANA, MERCURY (looking off)
Why, who’s this? Jupiter, by Jove!

Adagio (\( \dot{\jmath} = 84 \))

Enter JUPITER, an extremely old man, very decrepit, with very thin straggling white beard, he wears a long braided dressing-gown, hand-somely trimmed, and a silk night-cap on his head. MERCURY falls back respectfully as he enters.
