Über Grenzen

Enter your creative interpretation of this year's theme for the Lufthansa Award: *Über Grenzen*.

Express your perceptions, observations, stereotypes, opinions, and experiences that relate to crossing boundaries between languages, cultures, spaces, ideas, imaginations, and technologies.

All forms of presentation are welcome: essays, stories, videos, collages, multi-media, Web projects, installations, etc. Entries in German are welcome but not required. Eligible are students enrolled in MIT-German courses during the academic year 1997/1998.

Deadline: March 16, 1998

1st Prize: Round-trip to Germany with Lufthansa and participation in a visitor program

All entries will be judged by a jury consisting of MIT faculty and outside experts. Different levels of German will be taken into account. We are planning to publish the most interesting entries.
