

Homework 2

Multivariable Analysis, Spring 2014

Instructor: Mert Gurbuzbalaban

- Assigned: Feb 10, Due: Feb 24 (in class)
 - Please do not submit homework by email. Submit a hard copy to me in class or leave it under my office door later, but not in my mailbox.
 - Ground rules for homework: you can get help from any source (friends, relatives, books, the web) but you must acknowledge the source in your submission.
1. Section 3.1 of the book: Problems 4, 5.
 2. Section 3.2 of the book: Problems 3, 5.
 3. Section 3.3 of the book: Problems 1, 8, 9.
