

Homework 3

Multivariable Analysis, Spring 2014

Instructor: Mert Gurbuzbalaban

- Assigned: Feb 25, Due: Mar 10 (in class)
 - Please do not submit homework by email. Submit a hard copy to me in class. For HW submissions after this, please reach out to our grader Insuk directly. Late HWs will be assessed a late penalty of 10% per day.
 - Ground rules for homework: you can get help from any source (friends, relatives, books, the web) but you must acknowledge the source in your submission.
1. Section 3.4 of the book: Problems 2, 6, 7.
 2. Section 3.5 of the book: Problems 2, 4, 9.
 3. Section 3.6 of the book: Problems 2, 9, 13, 15.
